Nigel Goodall

What's Eating Johnny Depp?: An Intimate Biography Nigel Goodall
The star of some of the best and most unconventional American films in recent history, Johnny Depp has also been a source of media fascination since the 90s. His film roles have always been idiosyncratic, earning him international respect and adoration—from *Edward Scissorhands, Ed Wood,* and *Donnie Brasco* to his surprising star turn as the swashbuckling Captain Jack Sparrow in *Pirates of the Caribbean,* which earned him an Oscar nomination for Best Actor. His good looks, oddball charm, and tempestuous love affairs have helped push him into the limelight and kept him there. Now in this biography, Nigel Goodall looks at his bad-boy image, his rise to fame, and his high-profile romances with beautiful women such as Winona Ryder, Kate Moss, and longtime love Vanessa Paradis.
