Caring for Our Children: National Health and Safety Performance Standards: Guidelines for Out-Of-Home Child Care American Academy of Pediatrics
With more than 75 per cent of today's preschoolers involved in daily out-of-home child care programmes, the need for paediatrician interest in child care issues has never been greater. This guide is a resource for paediatricians' interactions with parents as well as local child care providers, which should help to promote the health and safety of children in these settings.
