Eve: Eve Duncan’s mission in life is to bring closure to the families who have experienced the agony of a missing child. As a forensic sculptor, she is able to piece together bones, create a face, and match a name to a child who would have otherwise gone unidentified. Eve is brilliant, driven, and tormented - because her own daughter, Bonnie, was taken from her years ago. Now, with the help of CIA agent Catherine Ling, a startling piece of evidence is uncovered in the quest to find Bonnie, leading to a connection that had been all but buried. Catherine challenges Eve with a name: John Gallo, a man from Eve’s own past, seemingly raised from the dead, whose whereabouts are unknown. Could Gallo be the missing piece to the puzzle that has haunted Eve for years? Why was he in Atlanta just before Bonnie’s disappearance? And what kind of darkness was he hiding? With a brilliant narrative that exposes Eve Duncan’s early life, exploring her history and motivations like no other novel before, Eve reveals long-guarded secrets and is guaranteed to keep Johansen fans holding their breath for more. Quinn: As a former Navy SEAL turned cop, Joe Quinn has seen the face of evil and knows just how deadly it can be. When he first met Eve Duncan, he never expected to fall in love with a woman whose life would be defined by her dual desires to bring home her missing daughter and discover the truth behind her disappearance – no matter how devastating. With the help of CIA agent Catherine Ling, they make a shocking discovery that sheds new light on young Bonnie’s abduction and puts Quinn squarely in the crosshairs of danger. Eve’s first love, John Gallo, a soldier supposedly killed in the line of duty, is very much alive – and very much a threat. Emotionally charged, with one shock after another, Quinn reveals the electricity of Joe and Eve’s first connection, and how they fell in love in the midst of haunting tragedy. As their search takes them deeper and deeper into a web of murder and madness, Joe and Eve must confront their most primal fears...and test their resolve to uncover the ultimate bone-chilling truth. Bonnie: When Eve Duncan gave birth to her daughter, she experienced a love she never knew existed. Nothing would stand in the way of giving Bonnie a wonderful life - until the unthinkable happened and the seven-year-old vanished into thin air. Eve found herself in the throes of a nightmare from which there was no escape. But a new Eve emerged: a woman who would use her remarkable talent as a forensic sculptor to help others find closure in the face of tragedy. Now with the help of her beloved Joe Quinn and CIA agent Catherine Ling, Eve has come closer than ever to the truth. But the deeper she digs, the more she realizes that Bonnie’s father is a key player in solving this monstrous puzzle. And that Bonnie’s disappearance was not as random as everyone had always believed...
