An instructive story in which vice receives its just reward.

Inspired by true and scandalous tales of the Gaslight aristocracy, we present the most moral and improving tale of Lady Rosamond Wolfram.

Weep, reader, for the plight of our heroine as she descends into piteous ruin in the clutches of the notorious Phlogiston Baron, Anstruther Jones. Witness the horrors of feminine rebellion when this headstrong young lady defies her father, breaks an advantageous engagement, and slips into depravity with a social inferior. Before the last page is turned, you will have seen our heroine molested by carnival folk, snubbed at a dance, and drawn into a sinful ménage a trois by an unrepentant sodomite, the wicked and licentious Lord Mercury.

Reader, take heed. No aspect of our unfortunate heroine’s life, adventures, or conduct is at all admirable, desirable, exciting, thrilling, glamorous, or filled with heady passion and gay romance.

Word count: 40,000; page count: 308
