Moby Dick (Illustrated and Unabridged)

Herman Melville

Moby Dick (Illustrated and Unabridged) Herman Melville
Moby-Dick; or, The Whale (1851) is a novel by Herman Melville. It is widely considered an outstanding work of Romanticism and the American Renaissance. Ishmael narrates the monomaniacal quest of Ahab, captain of the whaler Pequod, for revenge on Moby Dick, a white whale which on a previous voyage destroyed Ahab's ship and severed his leg at the knee. Although the novel was a commercial failure and out of print at the time of the author's death in 1891, its reputation as a Great American Novel grew during the twentieth century.
