PRESENT AT THE BEGINNING

C. William Mercer

PRESENT AT THE BEGINNING C. William Mercer
Join in a journey through an intimate history of the spiritual pioneers who founded New Thought in America, notably the early leaders of Unity and Divine Science. Then, enter Mrs. Cramer's 1890 Normal Class on the Study of Infinite Spirit with Fannie Brooks James taking down the most extraordinary notes imaginable. In these pages we have one of the foundational teachings of New Thought and Divine Science - hidden away for more than 125 years. You will not only feel that you're hearing Mrs. Cramer's voice; but you will sense Mrs. James' visceral response as she begins her own spiritual journey into the Truth and Principle that lies at the heart of New Thought. Be among the first to read these remarkable lessons. Here's what one authoritative reviewer had to say about the book: "PRESENT AT THE BEGINNING is a gem of Truth for every student of the ancient wisdom teachings of New Thought. Dr. Will Mercer's focus on the historical context of some of the early New Thought pioneers who worked cooperatively to spread the teachings far and wide and his special gift of the actual lessons of Malinda E. Cramer, as captured by her student, Fannie B. James, are sure to anchor us more deeply in the healing power of Truth, strengthen the bonds of kinship among the various New Thought denominations and inspire us all to stay ever connected to our collective spiritual roots." Rev. Dr. Sheila R. McKeithen, President, Universal Foundation for Better Living and Senior Minister of The Universal Centre of Truth in Kingston, Jamaica Special Forewords for the book are provided by Dr. Rocco Errico and Dr. Barbara King. Buy your copy today! So let it be.
