The Manly Art of Seduction, How to Meet, Talk to, and Become Intimate with Anyone

Perry Brass

The Manly Art of Seduction, How to Meet, Talk to, and Become Intimate with Anyone Perry Brass
From the award-winning author of How to Survive Your Own Gay Life, Angel Lust, Warlock, and Carnal Sacraments.

“Men are not supposed to be seductive.”

Perry Brass heard this while very young, so of course it gave him an open field in a kind of behavior that can be exciting, fulfilling, and satisfying. If you feel you’re always waiting for someone else to make the first move—if you’re traumatized by your fear of rejection and don’t have a clue how to open a conversation or expand the terms of a relationship, The Manly Art of Seduction is a must-have. Brass explains male territorialism, and how it keeps men locked inside themselves. He talks about making decisions yourself, and how these decisions can be used to make seduction possible—even easy. He deals with the monster of rejection, and how to use mind pictures and exercises to rejection-proof your psyche. At the end of most chapters are questions you can use to tailor this book to your needs, seeing your own progress as you come to master this art.
Although seduction is a part of our commercial environment, Perry Brass has brought it to a place where we can find spiritual and inner nourishment, and where the chronic aloneness of much of life today can be changed into a state of delight and much deeper sexual and emotional connections.

“Relationships between men can run the gamut from brief connections to long-lasting commitments. This book demonstrates how to break through fear and old patterns to increase your seduction skills and decrease missed opportunities. No matter what kind of connection you might be looking for, the advice offered here is helpful, sharp, and pulls no punches. But the tough love is served with style and humor.”
Dave Singleton, author of The Mandates: 25 Real Rules for Successful Gay Dating

“The Manly Art of Seduction is for men who seek greater intimacy—of the physical or emotional sort. During these uncertain times, Brass refocuses our energies toward providing for basic human needs, thereby recharging our batteries to face what comes. He does this with a frankness and simplicity that makes it accessible to twenty-first century man.” Rafael Risemberg, Ph.D. Founder and President, Date Bait

“A first-class primer for every taste,” Richard Labonte, BookMarks, nationally syndicated column about glbt books.

“Filled with useful, practical advice, this guide is likely to make gay men feel more in control . . . . Although he touches on common advice like tapping into shared interests, Brass also explores deeper concepts like valor and territorialism, and his stunning chapter on rejection should be a must-read for everyone in the dating scene.” Elizabeth Millard, ForeWord Reviews, January, 2010.

What Will You Learn from The Manly Art of Seduction:

How to approach men and know what to say, how to act, and what to look for.

How body language, your own and his, works.

How to use the boundaries of male territorialism to your own advantage.

How to be confident, adult, in control, and seductive in a world that does not want you to be—and why it doesn’t.

How to make the most of what you look like, and get results that prove it.

How to seduce a man in a crowded bar, a social situation, over dinner out, at home, or anyplace.

How to deal, seductively, with disability, weight issues, penis size, erectile dysfunction, class, race and cultural differences, as well as straight men, married men, monogamy, and threesomes.

How to become the balanced, secure, sexually successful person you want to be.

You’ll learn all of his in The Manly Art of Seduction, by Perry Brass. You'll also learn how to use the Manly Art of Seduction as a life-long guide to happiness and real change. Seduction means an invitation to intimacy, and the intimacy here is often with your deepest self.

So why not begin now?
