After the battle of Hraefn Fields, Byron desperately seeks a means to face the undefeatable horde. He must find the fabled Tome of Nuada before the end of all things and reunite with his brother who has built a final bastion for the scattered De Danann's defense. In the journey, the legend of The Silverhand is reborn, but will it be enough to stop the wicked Garlon from possessing the Ard-Ullem and achieving complete domination. This second volume of this riveting series completes the War of the Brothers tale, but its ending may surprise you.
Teardrops of Neba, an action-packed adventure of The Advent of the Ard-Ullem or "High Craft" series will carry the reader into the world of the ancient De Danann unlike any seen before.
