Change Your Thoughts Meditation CD: Do the Tao Now! Wayne W. Dyer

Five hundred years before the birth of Jesus, a God-realized being named Lao-tzu in ancient China created the ultimate commentary on the nature of our existence. This classic text, called the Tao Te Ching or the Great Way, offered advice and guidance that was balanced, moral, spiritual, and always concerned with working for the good.

On this CD, for the very first time, **Dr. Wayne W. Dyer** takes you on a compelling journey through all 81 verses of the Tao, as he offers affirmations and a unique meditation technique that you can directly apply to your life. By actually repeating the word *Tao* as a mantra, you will subliminally attain a level of wisdom and peace that you may have never experienced before.

Do the Tao now . . . and usher in an entirely new way of thinking!
