Deliver Us From Darkness Anthony R Allen
In today's society where truth is defined in self righteousness there are so many avenues that channel people against Christ such as Radio Stations, books, music and sad to say even some churches. They are justifying, Adultery, fornication, homosexuality, and anti marriage. There are some points were people will agree and disagree. When you are discussing topics like the one's that I have mentioned in this book you will not gain a lot of friends. This book is designed for righteousness so that means it has no opinions, feelings, or reasoning just the truth. So I pray that the truth will convict you but set you free. God loves us so much that he would rather risk hurting your feelings but then speak the truth with love and build you from the inside out instead of outside in.
