**100 QUOTES!**
This is a collection of writings intended to inspire, guide, encourage, and speak for those who may not have the right words to express how they're feeling. Each of the 100 quotes in this book are followed below by a short passage speaking on the above quote. Some quotes are self explanatory and shouldn't require much translation - others may not be so transparent and may call for elaboration. Some points are made more than once in different ways, just to emphasize the importance of that idea.
