Southern Comfort (Urban Books) Skyy
Willow is at a crossroads. After caring for her father during his final days, she comes home to her flat in London wondering what's next. Whether it's traveling to some exotic location or starting her career in fashion, the only thing she is certain of is that she wants to finally experience the love she reads about in books. When a fluke change in the weather brings a sexy stranger into her life, she decides to throw caution to the wind and take her chances on love, which brings her to Memphis, Tennessee.

Seeing her happily ever after in front of her, Willow is thrown for a loop when she finds out she isn't the only one vying for the woman she knows is the one for her. Now standing in unfamiliar territory, Willow prepares for the fight of her life, the fight to win the heart of the woman she loves from the woman who held the heart to begin with.

Katrina's stuck between a rock and a hard place. On one hand she has the woman she loved, who left her high and dry, and on the other hand, an exciting new possibility. When the ultimatum is placed in front of her, does she go for the new beauty from across the pond, or stay with the one who got away? Does this chef create the perfect dish, or is it a recipe for disaster?
