New England and the Bavarian Illuminati

Vernon Stauffer

New England and the Bavarian Illuminati Vernon Stauffer
The rift between the nation's two political parties is caused by a Conspiracy! New England the Bavarian Illuminati is the history of the Illuminati scare that occurred in America at the end of the eighteenth century. It tells how the Federalists, including the New England clergy in particular, seized upon the idea that the Illuminati were behind the actions of the Democrats. Only a far-reaching conspiracy could explain the irreverent habits and searing attacks of the Jeffersonians. Fear of the secret Democratic Clubs, magnified by fear of the French Jacobins, made such a conspiracy readily believable. Dr. Stauffer ably details the state of American politics and religion before and after the American Revolution. He recounts the known history of the Illuminati, and reviews how knowledge of the secret organization was transmitted to America. The conspiracy alarm is traced in detail, from the first announcement of the existence of the Illuminati given during a sermon, through the heated and virulent debates in newspapers and pamphlets, and finally to the decline of the public spectacle under counter-attacks and satirical mockery. This study of the Illuminati in New England was originally published in 1918. Acclaimed from its first printing, it has since then developed a respectable position as one of the most competent and important histories on the shadowy Order of the Illuminati.
