"A Course in Miracles" is a complete self-study spiritual thought system. As a three-volume curriculum consisting of a "Text", "Workbook for Students", and "Manual for Teachers", it teaches that the way to universal love and peace through forgiving others. The Course thus focuses on the healing of relationships and making them holy.
The "Text" presents the theory of the Course and has built into its study the development of the experience of forgiveness that is the Course's goal for the student.
The "Workbook for Students" includes 365 lessons, one for each day of the year. It begins the process of changing the student's mind and perception, though it is not intended to bring one's learning to completion.
The "Manual for Teachers" is written in question-and-answer form and provides answers to some of the more likely questions a student might ask.
Also included are Supplements to the Course: "Psychotherapy: Purpose, Process and Practice" and "Song of Prayer"
