Oklahoma!: The Making of an American Musical

Tim Carter

Oklahoma!: The Making of an American Musical Tim Carter
Oklahoma! premiered on Broadway in 1943 under the auspices of the Theatre Guild, and today it is performed more frequently than any other Rodgers and Hammerstein musical. In this book Tim Carter offers the first fully documented history of the making of this celebrated American musical.
Drawing on research from rare theater archives, manuscripts, journalism, and other sources, Carter records every step in the development of *Oklahoma!* The book is filled with rich and fascinating details about how Rodgers and Hammerstein first came together, the casting process, how Agnes de Mille became the show's choreographer, and the drafts and revisions that ultimately gave the musical its final shape. Carter also shows the lofty aspirations of both the creators and producers and the mythmaking that surrounded *Oklahoma!* from its very inception, and demonstrates just what made it part of its times.

Donald Ventura:

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Oklahoma!: The Making of an American Musical can make you truly feel more interested to read.
