The Tooth Fairy

Peter Collington

The Tooth Fairy Peter Collington
In the wordless storyboard format and soft pastel drawings that have become his trademark, Peter Collington offers an enchanting solution to the age-old mystery of what the tooth fairy does with all those teeth! He follows an industrious tooth fairy on an arduous night's work of creating a perfect silver coin and exchanging it for a precious baby tooth. Back in her cozy parlor, she lovingly transforms her prize into a new ivory key for her broken piano, then sits down to play a tune. The trade edition includes a make-it-yourself tooth box for commemorating a milestone of every childhood--losing the first baby tooth.
