The Truth is Contagious…the epic conclusion to the award winning Contagium Series…"

A mysterious virus has infected most of the world's population. This sickness transforms the living into violent "crazies" and eventually into the flesh-eating undead.

Orissa and Hayden have survived in this new harrowing world. They have watched heroes fall, lost friends, and waged war—both against the living and the dead. Now a new revelation will shake everything they have built and everything they believe…

After learning the shattering truth about the virus, Orissa and her friends discover a new enemy, more deceitful and more powerful than anyone or anything they have faced before.

And this time it's up to Orissa and Hayden to destroy the evil at its source and keep the lie from spreading. The truth is their mission and the truth is contagious.
