Impossible Peace: Israel/Palestine since 1989 (Global History of the Present)

Mark LeVine

Impossible Peace: Israel/Palestine since 1989 (Global History of the Present) Mark LeVine
This book provides a comprehensive analysis of the failure of the Oslo Accords as they pass into history. Mark LeVine argues that Oslo was never going to bring peace of justice to Palestinians or Israelis and that the accords collapsed not because of a failure to live up to the agreements, but precisely because of the terms of and ideologies that underlay them. Today more than ever, it's crucial to understand why these failures happened and how they will impact on future negotiations towards any "final status agreement." This fresh and honest account of the peace process in the Middle East shows how by learning from history it may be possible to avoid the errors that have long doomed peace in the region.
