Upside: Surprising Good News About the State of Our World Bradley R.E. Ph.D. Wright
Many Christians have an impending sense of doom about our country and the world. But are their fears based on reality or myth? In this book Wright examines issues of concern to Christians, including poverty, sickness, sexual morality, the environment, and the global church. Did you know that global poverty has been cut in half over the last several decades? That infant deaths have decreased dramatically in recent years? That Christianity is a growing and influential force in Asia and Africa? Maybe the world isn't in a downward spiral after all. In an age of pessimism, this book offers good news to Christian readers looking for glimpses of hope.
